About Ms. Lauryn Hill's 'MLH Caravan' Tour

The Review

Deemed "one of the great female MCs" by *Rolling Stone*, Ms. Lauryn Hill has finally retaken the stage. The winner of eight Grammy Awards, Hill launched her "MLH Caravan: A Diaspora Calling! Concert Series" this past summer and will continue to circle the country through next spring. At each stop, the former Fugees star will revive hits from her record-breaking solo album "The Miseducation of Lauryn Hill," including "Ex Factor," "Lost Ones" and "Doo Wop (That Thing)," itself the winner of two Grammy Awards. Crowds can also look forward to special guests such as Fela Kuti's son Seun, who will join Hill on her mission to celebrate "cultural and artistic beauty throughout the African diaspora." Fans won't want to miss the powerful return of this musical legend.
